HAPPYMESS

234, Kololo, Yusuf Lule Road

Kampala, Uganda

Dear Mr. Wamala,

I am writing to you as Chief of Kampala Camp Dining Facility Staff. Having spoken to Happymess' manager last week I know you have recently lost a huge part of your employees what has been caused by low week wages. Nonetheless this is not a good enough explanation and I still feel unsatisfied concerning some sort of requests addressed to you via email two months ago. I offered two or three suggestions according meal appearance, dining staff dresses, food handling, staff rude manners and offensive behavior that have not been implemented yet. Not only some of your employees wear in an inappropriate manner an unofficial dress, even dining hall lavatories are out of order most of the time, soap dispensers are frequently empty and the air conditioning does not work since last June.

In view of all these circumstances and having addressed to you some considerations several times to consider these issues I have to cancel Happymess' contract. Consequently from 1st November Kampala Camp dining facility service will be provided by Kololo Meal Co. your country counterpart. You have to hand over dining hall, fuel tanks and kitchen stuff during next two weeks. Mr. Lule is Kololo Meal Co. highest representative and his phone number is 256-41-340319. I would appreciate you would be in touch with him.

I must apologize for troubling you with this matter.

I look forward to hearing from you.

Yours sincerely,
