

EXERCISE 5

NORTH AFRICA, CHANGE OR DOWNFALL

It is a well known fact that recent changes produced in North Africa countries could result to both irreversible and utterly harmful changes.

Comentario [s1]: That the

Comentario [s2]: Which have taken place

Comentario [s3]: African

Comentario [s4]: in

Owing to the fact that the civil population, specially the youngest, are carrying out a series of movements no so good as they had hope to do so. The real Geostrategic position could fell down apart from they could have the World Societies over their heads.

Comentario [s5]: especially

Comentario [s6]: which are not going as well as they might have hoped

Comentario [s7]: this sentence is not very clear at all.

From my point of view, they should control two big issues, clearly. Initially, the problems that could affect to other countries such as illegal immigration as well as drugs smuggling. On the other hand, the internal fights guided by rebels to the government leaders, resulting to a double edged sword. For instance, if they combat to beat The Leader and on the path they kill innocent citizens, needless to say, they will have an additional worry, not only will they have to combat the government but also the townsfolk. Consequently, the same could be said about the national Governments.

Comentario [s8]: This would be better before 'control'.

Comentario [s9]: Not necessary

Comentario [s10]: No s

Comentario [s11]: Conflicts between the rebels and

Comentario [s12]: Result in

Comentario [s13]: sword

Comentario [s14]: fight to overthrow their leaders

Comentario [s15]: kill innocent citizens as a consequence of this

It is popular believed that, to a certain extent, this uncontrolled situation, naturally, will affect to nearer countries and due to Spanish geographic situation, I would appoint out that factual North African fights will brings it a possibly instability. Furthermore, it would be no difficult that it would extend to the whole European Country owing to the fact Spain is the port of entry in Europe.

Comentario [s16]: popularly

Comentario [s17]: nearby

Comentario [s18]: the geographical position of Spain

Comentario [s19]: point

Comentario [s20]: the current

Comentario [s21]: conflicts bring with them a possible

Comentario [s22]: not be

Comentario [s23]: for it to

Comentario [s24]: Union

Comentario [s25]: of

To conclude, according to the mentioned points, I wouldn't like to have to announce this, but it is necessary a global cooperation system to prevent an out of control huge problem crosses North African Countries line borders and reach, firstly, to the most close Countries and lately to the World.

Comentario [s26]: points I have mentioned

Comentario [s27]: don't

Comentario [s28]: a system of global cooperation is necessary

Comentario [s29]: a huge

Comentario [s30]: see 29

Comentario [s31]: crossing the

Comentario [s32]: countries'

Comentario [s33]: reaching

Comentario [s34]: nearer

Comentario [s35]: then

Comentario [s36]: rest of the world

By Miguel Rodriguez Sanchez

You have made a valid attempt to answer the question and this is always something positive. But, at times, it is hard to understand exactly what you wanted to say and this will be a problem when your written exam is being corrected. So, I would recommend that you read as much as you can in English so that your written English starts to sound more natural, and also that you have another look at the grammar rules for the formation of conditional tenses.
